January 22, 2012

Welcome to North Roanoke Baptist Church! The Bible tells us that the gospel is “the power of God for salvation to everyone who believes”. That is a message worth knowing and protecting! Today’s scripture alerts us to the common ways we jeopardize that power of God being released within our lives. Take a few minutes before our worship today to read Colossians 2:8 and 16-23. May we be careful to stay on the gospel path.
Your pastor, **Darryl**
